

Construction of The English school starts

Site fencing and other preparatory work will commence at the beginning of week 9. In addition, temporary traffic management measures will be put in place on the light traffic route adjacent to the site.

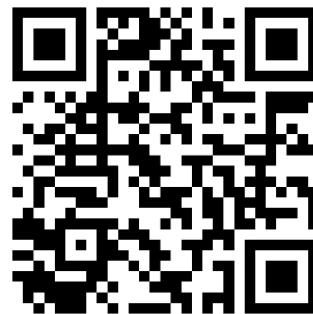

Work will continue with site preparation, protection of retained trees, and earthworks. Construction is expected to be completed in the summer of 2027.

The project has been granted building permits 29-0748-23-A, 29-0787-23-A and 29-0791-23-A.

The client is Kiinteistö Oy Eliel Saarisen tie 41-45. Haahtela is responsible for the project management of the site.
